Competition Orientation Day

Saturday, Sept. 26th

at Danceworks

Information Meeting, 10:00-11:00am

Dance Session, 11:00-12:30pm

Hi Danceworks Family!

This is a friendly reminder that we are holding our Competition Orientation tomorrow. If you're interested in participating in comp this year, please come and join us!

Interested Dancers, ages 7 and up should be at the studio tomorrow by 10am, along with their parents or guardians. We'll start with an information session. Here we can address any questions or concerns and give you all the information that you should need about comp for this year.

Once we've got everyone fully informed, we'll dance together! This will give our choreographers a chance to see the dancers moving together so we can be sure to place everyone in the dance or dance(s) that are best for them. We will be keeping some dances from previous years, as well as starting brand new ones. This is not a "try-out"; all interested dancers will be invited to participate in at least one dance. Just come with an open heart and dance with us 🥰

As promised, I have the [Competition Registration Form](#) ready for you 😊. You are welcome to fill it out ahead of time, or, if you would prefer, feel free to wait until after the information meeting. **Please make sure to complete a form, for each dancer, this weekend.** The form requires that dancers provide

their availability for rehearsals and confirm the performance dates. Please be prepared to inform us of any work schedules or travel plans that may conflict with rehearsals. We work hard to accommodate dancers' schedules, but we can only do so if we have all of the information.

If you have to miss tomorrow, (and you haven't already informed us), please send us a quick email to let us know that you're planning to participate in comp this year. And make sure to fill out the [registration form](#) as soon as possible.

Looking forward to another wonderful comp season,
See you tomorrow,

Miss Georgie
